Don't miss out on the future excitement. We will soon begin construction on **two** houses. One in Waxahachie and one in ENNIS. Look for notices from our Volunteer Coordinator, Dana Walker, on the need for volunteers.

**Don't forget - it's not just about swinging a hammer.**  
**We need greeters (super easy job with limited time involvement!!!!) and groups (or individuals) to provide lunches at the worksite for the volunteers. Our needs will be double this year since we are building in two locations.**  
**We need you!!!!**
